

GRC 2019 is a one-of-a-kind educational event, bringing together top technologists from SAP, independent consulting firms, and leading global organizations under one roof to provide you with up-to-date details on current capabilities and future road map plans for SAP's portfolio of governance, risk, and compliance solutions. Join us this year for a dynamic educational and networking experience.

## BRAND NEW CONTENT

60+ new sessions covering the hottest topics, including:

- » Strategic imperatives to help you drive digital transformation in your organization
- » Implementation and migration best practices to ensure project success for all of your SAP GRC projects
- » Product updates, new releases, and business use cases for SAP's new and upgraded solutions, including SAP Access Control, SAP Process Control, SAP Risk Management, and more
- » Cybersecurity best practices to help you protect your data and fortify your SAP environment from cyber attackers
- » Advice on leveraging new technology like robotic process automation to spur digital disruption in the GRC space

## EXCLUSIVE TAKE-HOME MATERIALS

Get copies of every session, plus tips, tricks, and recommendations to help you throughout the year. Walk away with:

- » An on-premise SAP Access Control 12.0 and SAP Cloud Identity Access Governance differentiator and customer product selection and decision checklist
- » A role-based user access FAQ sheet and a fit and function questionnaire
- » A complete end-to-end guide for installation and implementation of SAP Enterprise Threat Detection on SAP HANA® database
- » A document that will guide you through a quick setup of Manual Control Performance

## PRODUCT ROAD MAP SESSIONS FROM SAP:

Sessions showcasing SAP product innovations and road maps, such as:

- » Overview of new major SAP GRC solution releases
- » Pre-conference session: What's new in access governance and security
- » SAP Process Control and SAP Risk Management upgrades

## EXPANDED NETWORKING OPPORTUNITIES

Learn from your peers and get access to focused networking events for like-minded colleagues to discuss hot topics or projects, including:
